***This free workshop includes a unique opportunity to provide input to key decision makers about the future of the Delta***

**Sponsored by:**

The Water Education Foundation

**Cosponsored by:**

California Resources Agency

U.S. Bureau of Reclamation, Mid-Pacific Region

*Attendance at the workshop is **FREE** and a complimentary box lunch will be served.*

*Attendance is limited; to guarantee a seat you must register in advance. On-site registration will be limited to availability.*

**Program Highlights**

There are multiple Delta Vision initiatives underway and a decision on the future of the Delta will be made in the next two years. Unlike past planning efforts that focused primarily on the Delta's water resource issues and ecosystem, these current efforts have expanded to include land use planning, recreation, flood management, and energy, rail and transportation infrastructure. How – or if – all these competing demands can be accommodated is the question facing local, state and federal officials, Delta residents, businesses and utilities, resource managers, local agencies and other Delta stakeholders.

This one-day workshop will explore these pressing issues and explain Delta vision planning underway. Moderators will encourage panel debates among knowledgeable speakers on all sides of these important issues. Audience members will be invited to join facilitated break-out sessions to provide feedback and offer suggestions. The Foundation will prepare and distribute a workshop summary to share with Delta visioning efforts and those who cannot attend the workshop.

**Workshop topics include:**

- Developing a Vision: How Do the Dots Connect?
- How is the Delta Vulnerable?
- The Value of the Delta: Why Do We Need a New Delta Vision? What's at Stake for Southern California?
- How to Be Involved: Developing a Common Vision
- Input on a Delta Vision: How Can We Accommodate Competing Uses?
- Shaping a Vision: How Do We Move Forward?

Check in will begin at 8 a.m. The program will begin at 8:45. The workshop will adjourn at 3:45 p.m. Complimentary Foundation materials will be distributed, including the *Delta Warning* DVD.
